- Read and make sure you understand everything.
- Double and then triple check all your numbers (dates/payments/addresses).
- Add anything you want to include that is not included in your template. For example, a hot meal for you and your staff.
- Add or delete the parties as you see fit. The template is provided with two clients in the introductory paragraph so you may understand how to add an additional party, and if there is only one person signing the agreement, the second client may be easily removed from the template.
